Today's Program—Paul Davis, "Everything You Always Wanted To Know About Health Care, But Were Afraid To Ask!" Today, we all were educated by Paul's explanation of Medicare's 2006 Prescription Drug Plans and benefits. Everyone listened closely to what was being said. Further, Paul gave scenarios and examples, what to keep/drop, etc. Afterwards, Paul answered a variety of questions from several Members. Thank you Paul! We look forward to your updates about this one.

Thank you everyone for a fantastic Program today and John Alexander for Photos!
